Lori MS Lori MS Please follow this simple troubleshooting procedure: 1 Aug 01, 2008 I have windows XP in my system and it is all activated but it is say it is not.. Choose that option The rep will ask a few questions for the purpose of confirming that you are still using your license for XP in accordance with the EULA.

After a certain number of activations within a certain time period, automatic online activation will be suspended (This will also happen the first time you re-install and activate some OEM versions of Windows XP), which will require that you do a Telephone Activation.. A WGA troubleshooting specialist will analyze the data and recommend an appropriate solution.

To check the complete details about your Windows activation, like days left for activation, as well as other details on software and hardware present, follow these steps: Click Start.. Okiemama, Some users, when they try to bring up the Product Activation window, the window either doesn't come up, comes up but displays a Fault Error, comes up but the window is blank or they can't get to a point to bring up the window due to the Looping bug.

Lori MS Lori MS. Apr 12, 2018 Hi All, Can I know if Windows XP Online Activation Server is still available? I cannot activate Windows XP because of formatting.. Please note: I am not a Microsoft employee only a voluntary forum contributor Okiemama, Some users, when they try to bring up the Product Activation window, the window either doesn't come up, comes up but displays a Fault Error, comes up but the window is blank or they can't get to a point to bring up the window due to the Looping bug.. If this is confirmed, the rep will issue an activation code for you to enter into the Activation Wizard.

After running the MGA Diagnostic Tool, click on the ' Windows' tab and then click on ' Copy'.. Follow the phone prompts If the automated telephone activation is not accepted, you will be offered the option to speak with a live activation representative.. If you are experiencing any of these issues, please see this post for a possible fix for your issue: If you are receiving the error '.. Choose that option The rep will ask a few questions for the purpose of confirming that you are still using your license for XP in accordance with the EULA.. To do so, rerun the Activate Windows Wizard and select 'Activate my product using the telephone'.. This is what it is saying: This evaluation period for this installation for Windows has expired, The system will shut down in! Hour, WHY IS THIS DOING THAT WHEN IT IS ACTIVATED Okiemama, Some users, when they try to bring up the Product Activation window, the.
